

Angel Funds checks were presented to 7 elementary schools at the North Hills Catholic Elementary School Regional Office.

Few things are as precious to parents as a solid educational foundation based on firm religious principles for their children. But many families struggle to make this happen. The Ancient Order of Hibernians, Division 4, North Hills is dedicated to help these families through our Tuition Assistance Fund.

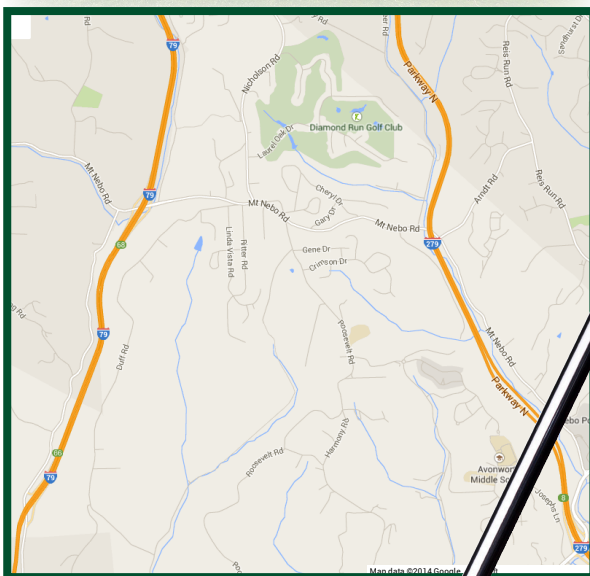

The Tuition Assistance Fund was established by our members to support Catholic School families in their time of need. To date, this fund has provided nearly \$31,000 in support to the Angel Funds of Catholic elementary schools located in the North Side and the North Hills communities of Pittsburgh.

The Heritage Golf Classic is our primary effort to continue the Tuition Assistance Fund. Through the generosity of people like yourselves we have made an impact.
